2009 Bisbee Red Dress Event Schedule of Events

I wish I didn't have to say this but since we sold out so soon I have heard rumors that people are just going to crash the run. If someone you know is doing this run them off. I have been sending out notices since October 2008. This event sells out. Simply put, the venue is not large enough to take all those people that decided they would come at the last minute. Everyone sent this message paid money. If you do not wear your wrist band you will be asked to leave. I don't want to spend all my time verifying that someone too stupid to wear their wristband should be allowed to stay. Everyone have a great time but don't let party crashers get away with it. They are stealing beer you be drinking! On On, 2x4
